I agree all spacing requirements will be met and this well will be drilled within 30 feet of the location specified and not elsewhere, and that I will furnish the District with the completed driller's log within 60 days of completion of this well and prior to production of water. I will follow District and State well plugging guidelines at the time of well closure. I hereby certify that I have read the foregoing statements and that all data therein contained are true and correct to the best of my knowledge and belief. For the purpose of this permit only, I authorize Directors, employees, agents, or representatives of the Permian Basin Underground Water Conservation District to enter upon the property represented on this form to verify the information provided and conduct technical and other routine investigations deemed necessary. I certify that I own the water rights or have permission from the water rights owner to drill this well.

This notice given by: Signature (landowner/applicant) Print

This permit is considered temporary until it has board approval. It will be considered for approval at the next board meeting of the Permian Basin Underground Water Conservation District.
